

RACE

— FOR A SOLDIER —

10 MILER | 5K | VIRTUAL RUN

RACE DAY SEPTEMBER 15 2019

GIG HARBOR WA

Why We Run

The Permission to Start Dreaming Foundation exists to bring hope and healing to our military members, veterans, first responders and their families who deal with post-traumatic stress and traumatic brain injury.

We run because the longest journey for our veterans and first responders is not in coming home after their service to our country and communities, but the journey of recovery from the trauma they often face in the line of duty. We run to show support, raise awareness and provide programs for growth and healing.

We are excited and encouraged that the Permission to Start Dreaming Foundation has continued to grow and reach more milestones in continuing our active support of local veterans, as well as expanding to first responders in the Pacific Northwest. In 2018, we began veteran and first responder monthly Huddles promoting healing and connection, offered our first post traumatic growth workshop and the foundation made it possible for Pacific Northwest veterans and first responders to participate at Boulder Crest Warrior PATHH retreat program. The Foundation is dedicated to providing healthy resources for those who serve. It is at the heart of what we do.

2019 marks the 9th running of our flagship event, Race for a Soldier. This year we are excited for the second year of our 10 Miler course. A fast runner-friendly start through the heart of Gig Harbor, followed by a beautiful journey along country roads lined with cheering crowds.

WHAT TO EXPECT AT THE RACE

- Exciting 10 Miler course!
- Easy rolling 5K course!
- Start and finish at the Gig Harbor YMCA!
- Inspiring scenic courses with entertainment!
- Thousands of cheering spectators!
